Pierpaolo Renzo ROTONDI Appl. No. 10/580,562

December 21, 2007

**AMENDMENTS TO THE CLAIMS:** 

This listing of claims will replace all prior versions, and listings, of claims in the

application:

Claims 1-8. (Canceled).

9. (New) An auxiliary fitting for choosing a hairstyle comprising a support that can

be removably worn by a person on his/her head, and a plurality of locks being connectable to

said support, wherein at least two locks different from each other can be fastened on said support

arranged on opposite sides relative to a midline of said support, such as to be simultaneously and

separately seen by the person wearing said support to obtain an accurate representation of his/her

appearance, as would result from a different hairstyle based on either one of said at least two

locks.

10. (New) The fitting according to claim 9, wherein said at least two locks are

different by size, shape and/or color.

11. (New) The fitting according to claim 9, wherein at least one of said at least two

locks is removably fastened to said support by non-permanent fixing structure.

12. (New) The fitting according to claim 11, wherein at least one of said two locks is

fixed to a male or female band of a hook-and-loop strip and said support is integrally provided

with at least one female or male band of said hook-and-loop strip.

13. (New) The fitting according to claim 9, wherein said at least two locks are locks

of natural hair and/or false hair of any other material.

14. (New) The fitting according to claim 9, wherein said support is selected from the

group consisting of a hairband, a band and a wig cap.

15. (New) An auxiliary fitting for choosing a hairstyle comprising a support that can

be removably worn by a person on his/her head, and a plurality of locks being connectable to

said support, wherein at least two locks different from each other can be fastened on said support

arranged on opposite sides of said support, such as to be simultaneously and separately seen by

the person wearing said support to obtain an accurate representation of his/her appearance, as

would result from a different hairstyle based on either one of said at least two locks.

16. (New) The fitting according to claim 15, wherein said at least two locks are

different by size, shape and/or color.

17. (New) The fitting according to claim 15, wherein at least one of said at least two

locks is removably fastened to said support by non-permanent fixing structure.

18. (New) The fitting according to claim 17, wherein at least one of said two locks is

fixed to a male or female band of a hook-and-loop strip and said support is integrally provided

with at least one female or male band of said hook-and-loop strip.
